**APPLICATIONS:** Applications for tenancies are subject to the provisional approval of the owners of the property before the application is completed with Rightmove Tenant Referencing our Credit Referencing Company. Tenants & Guarantors will be contacted by Van Mildert, they will complete a Credit Search, Affordability Assessment and obtain Employment & Landlord References. They will also require identification and proof of income.

**HOLDING DEPOSIT:** In order to secure a property and remove it from the market while Rightmove Tenant Referencing completes your application and obtains your references, a Holding Deposit equivalent of one weeks rent will be payable to Lisa's Homes before the application can be completed. Listed below are grounds on which the holding deposit is NOT refundable:

1. If you the tenant pulls out of the tenancy before the contracts are signed.
2. If you the tenant fails a Right to Rent check.
3. If you the tenant provides false or misleading information - this does not mean failing referencing. If you the tenant provides completely accurate information, but still fails referencing, that will be classed as the landlord or agent pulling out. However, if you have actively provided false information and we can prove you have, we can withhold the holding deposit.
4. If you the tenant doesn't enter the agreement by the deadline.
5. If you the tenant are dragging your feet and not responding to emails, not giving the referencing agency what they need for longer than 15 days, you will also forfeit your holding deposit and the property will be re-advertised.
